1. Introduction

Rough Brothers has been designing, building, and maintaining high-quality glazed structures since 1932. We have the experience, resources, and technical expertise to bring even the most creative estate conservatory design to life.

Whether restoring an older estate conservatory to its past grandeur or taking an initial design concept from the ground up, Rough Brothers will guide the way. As part of our design services we will evaluate your needs, provide a detailed analysis, and help you plan to meet both budget and timeline requirements. [MORE >>](#)
